

# Tool brackets WEBER RESCUE

for a safe loading of hydraulic rescue tools in the fire truck

**NEW!**

- Individually adapted to the respective device series, for a perfect fit
- All brackets are available for horizontal or vertical mounting in the truck
- Additional securing via an easy-to-open tensioning strap
- Two-part lastic receptacles for a flexible and long-lasting attachment
- With approx. 1.5 kg the brackets are extremely lightweight
